| Ancho | 250 cm |
| Opciones..... | Resistencia al fuego M |
| Garantía | 3 años |

Características a título orientativo, pudiendo modificarse sin previo aviso.

Garantía

La garantía cubre un anormal deterioro de la fibra y el color del tejido.

Los tejidos quedarán exentos de garantía cuando los daños hayan sido ocasionados por:

- Una instalación incorrecta.
- Accidentes, abusos o negligencias.
- Deterioro por manchas, perforaciones o roces con otras superficies.
- Limpieza abrasiva de la lona.
- Efectos de condiciones atmosféricas adversas: tales como fuertes lluvias, vientos, nieve...

El tejido puede lavarse esporádicamente con agua y jabón neutro. Dejar secar totalmente antes de recoger. Se recomienda su aspirado periódico.

Industrial Navarrete, S.A. reemplazará el tejido defectuoso, pero no se hará responsable de los gastos ocasionados por su desmontaje y montaje.
